

INTRODUCING DSL LITE INTERNET SERVICE

Hay Communications is pleased to announce the introduction of **DSL Lite internet service** to our customers. All you need is a network card in your computer...we provide you with the modem and setup information.

Why Change to DSL Lite High Speed?

- Does not require a separate phone line-no more missed calls!
 - "Always on" connection-no longer need to dial up
 - No hourly usage charges
 - Up to 3 times faster than dialup
 - No setup charge for new DSL customers

Initial 3 month promo rate is \$19.95/month

**also long distance customers monthly rate \$26.95
Regular monthly rate \$29.95**

Minimum service period is 6 months
